TASTING NOTES

Every year, our winemaker sets aside some of our favorite lots of the old vine varietals and blends together a wine shrouded in “mystery”. Over the years, this has become our most popular bottling. The aromas and palate showcase ripe raspberry, maraschino cherry, blackberry jam and vanilla tinged notes of oak. This is a perfect wine to take to a dinner party and share with friends.

WINEMAKING NOTES

This wine was aged in 100% American oak, once used from our Chardonnay program. The different varietals were barrel aged separately to build individual complexities. Three months before bottling we take these varietals and determine the best blend for this vintage.

91 POINTS WINE ENTHUSIAST

“Sunny berry aromas give way to focused black cherry and dark-chocolate flavors that ride a richly tannic texture in this full-bodied wine. Made from a blend based on Zinfandel and Carignane grapes, it delivers ample complexity and depth.” –12/2016
