### TASTING NOTES

Our 2016 Winemaker's Collection Cabernet Sauvignon is sourced from multiple vineyards around Napa Valley. Including Juliana in Pope Valley, Suscol Vineyard in south Napa, and Martin vineyard in Coombsville. It's a terrific blend of warm and cool sites that is barrel aged in 60% new French oak. This wine is pure Napa. It's a powerhouse built with black cherry, blueberry, and vanilla flavors, that is held together by refreshing acid and gentle tannins. Enjoy the greatness that is Napa!

### WINEMAKING NOTES

Our Winemaker's Collection showcases what can be crafted by a seasoned vintner who knows how to make the most of every site's unique terroir. This insight, paired with vintage based winemaking and blending strategies, allows us to produce a collection that retains the hallmarks of our signature and single vineyard offerings.
