

SPRING 2021 WINE SOCIETY NEWSLETTER

DEAR TRINITAS CELLARS FRIENDS AND FAMILY,

After an entire year of distancing and uncertainty, we can finally see the light at the end of the tunnel! Nothing makes us more elated than the thought of once again *completely* filling our tasting room to treat guests to our world class hospitality and excellent wines. It has been wonderful to host many of you outside, and some inside, over the last few months, but it is going to be even better when we are at 100% capacity! It will be soon, as things have been moving in the right direction, and the pace only seems to be picking up. Our team is enthusiastically looking to the ever-closer horizon. We are *almost* there. It feels great to write it, and we cannot be any more delighted. We have said it time and time again, but we would like to thank you once again for propelling us through this turbulent past year. We count our lucky stars every day for your support, as we truly could not have made it this far without you. As our team prepares to turn the page into a brighter, promising, and welcomed new chapter of our lives, we will do so with a great sense of gratitude for you. Thank you for your adoration, praise, and patronage. You have kept us going, and we are just about through! With that, let us tell you what delicious spring treats are in store for you.

Nothing pairs better with a warm spring day than Sauvignon Blanc. Our newly released 2019 Sauvignon Blanc opens with soaring aromatics of grapefruit, lemon, dandelion greens, kiwi, and baking spices. The palate has a concentrated core of grapefruit pith that is lifted by bright acidity, and complimented by flavors of lemon, lime, and kiwi, that energetically glide into a finish marked by citrus and a light note of clove. This Sauvignon Blanc is powerful and refreshing at the same time. It is an ideal pairing for the sunshine, flowers, green grass, and blue skies of the season, not to mention, a divine sipper on its own. Yields were down in 2019, so if this rendition is one of your favorites, be sure to stock up before it is gone.

Next up is our favorite of our spring reds, our O'Neill Vineyard Pinot Noir. Year after year, this estate vineyard impresses us with its ability to produce elegant wines that don't sacrifice beautiful purity of fruit, and this new vintage does not disappoint. This is a lively and classic expression of cool climate Carneros. Aromas of cranberry, cherry, forest floor, and dried herbs make up its intoxicating bouquet. Just one sip reveals layers of nuance, as flavors of scorched earth, cranberry, cherry, strawberry, and green herbs unfold with energetic acid into a persistent finish of clove and gentle tannin. This is a refreshing and captivating red and is sure to make you smile on a warm spring day.

We know that depending on what Wine Society program you are in; you may not receive the 2019 Sauvignon Blanc or 2019 O'Neill Vineyard Pinot Noir. But please know, as with any of our shipments, they can be completely customized. So, if you would like to swap or add one of these wines into your shipment, just send us a note or give us a call! You can also customize on our website by logging in and going to your account page.
