Tasting Notes

The 2020 North Coast rose is a blend of Pinot Noir fruit from Carneros along with mixed varieties of Zinfandel, Petite Sirah, and Mataro from our esteemed Sandy Lane vineyard in Oakley. It makes for a delightful rose that is full of high-toned red fruit. Strawberry, raspberry, and cherry are abundant on the nose and palate, that are carried by a crisp texture and refreshing acid.

Winemaking Notes

Our Rose is blend of 2nd Taille Blanc de Noir Cuvee, and saignees from red varieties of the 2020 vintage (all non-Bordeaux varieties).

We keep the alcohol low (12.3%), the acid high (3.35 pH), and the color as light as possible to make a Rose that is drinkable and fresh as possible. Serve chilled, and young while it still has vibrant acidity and light color.
