

TRINITAS  
CELLARS

Founded in 2002, Trinitas Cellars is a small, family-run winery located in Napa at the Meritage Resort & Spa. Led by second generation Proprietors, Garrett and Betsy Busch, we craft artisan wines that express the trinity of winemaking: sun, soil, and humanity. We produce a wide range of varietals from multiple appellations to offer something that will delight every palate. While there are over 20 different wines within our portfolio, each is crafted in our bold and approachable Trinitas style. We like to think of our wines as expressing the purity of fruit California is known for, along with the unique characteristics of each site and vintage. We welcomed Kale Anderson to our team as Consulting Winemaker in the summer of 2020. While Director of Winemaking at Pahlmeyer, Kale became one of the youngest winemakers to earn 100 points from Robert M. Parker, Jr.

## SUN † SOIL † HUMANITY
