Varietal: 100% Zinfandel

Production: 669 Cases

Alcohol: 15.3%

Barrel Program: 9 months in once used American oak

92 Points, Wine Enthusiast

Tasting Notes

If you are looking for a red with oodles of juicy ripe fruit, look no further! The 2017 El Dorado Zinfandel is a ripe and extravagant expression of the varietal. The palate is just gushing with flavors of wild berries, strawberry preserves, vanilla, and candied cigar box. Despite the generosity of the fruit, the wine retains a sense of balance with a core of mouthwatering acidity and completely integrated tannins. It is seamless and delicious!

Winemaking Notes

This Zinfandel was cold soaked for five days, then went through primary fermentation with two daily pump overs to dryness. Only the free run juice was extracted and barreled down to once-used American oak from our Chardonnay program. The wine was aged in barrel for 9 months with no racking to maintain bright fruit and to preserve the soft and supple tannins.

Vineyard Notes

The 2017 growing season experienced a wet spring and hot summer that allowed us to craft Zinfandel that is incredibly approachable with lots of delicious, lively, and rich fruit.
