KALE ANDERSON

**OUR WINEMAKER, KALE ANDERSON,** crafts wines that express the trinity of winemaking: sun, soil, and humanity. Each of our wines express the uniqueness of their site and the nuance of the vintage, all the while maintaining the bold and approachable style we are known for.

Kale has been making wine for renowned producers for 20 years in Napa and Sonoma. After graduating with a BS in Viticulture and Enology from U.C. Davis, he worked at Colgin Cellars, Terra Valentine Winery, Cliff Lede Vineyards in Stags Leap District and Pahlmeyer Winery. While Director of Winemaking at Pahlmeyer, Kale became one of the youngest winemakers to earn 100 points from Robert M. Parker, Jr.
