Tasting Notes

Fall Cuvée: A Seasonal Classic

The 2023 Fall Cuvée is a bold and vibrant red blend crafted to embody the richness and warmth of the autumn season. Sourced primarily from the historic Sandy Lane Vineyard in Contra Costa, this wine brings together six varietals to create a harmonious and layered experience. Its label, adorned with rustic harvest tones, makes it a thoughtful and meaningful addition to your fall gatherings and celebrations.

This red blend dazzles with aromas of ripe blackberry, cherry, and spiced plum. On the palate, rich and bold flavors of dark fruit mingle with notes of cocoa, black pepper, and warm autumn spice, balanced by bright acidity and velvety tannins. The Petite Sirah lends structure and depth, while the Carignane and Zinfandel contribute vibrant fruitiness. The addition of Mataro, Alicante Bouschet, and Cabernet Sauvignon brings complexity and a lingering, elegant finish.

The 2023 Fall Cuvée is perfect for pairing with seasonal roasts like herb-crusted pork loin, braised short ribs, or roasted turkey with spiced cranberry chutney. It also complements hearty autumn dishes such as beef stew, roasted root vegetables, or wild mushroom risotto. For dessert, savor it alongside spiced apple cake, pumpkin cheesecake, or poached pears with cinnamon.
